Who serves in local non-partisan elected offices can be critical to how our neighborhoods and communities function, and to how you conduct your business as a Realtor®. With Covid-19, and now the fires, and perhaps most important racial and economic justice for black people and for all communities of color, having experienced and balanced leadership at the local level is even more important than ever. Each candidate was critiqued as to their prior voting record (if applicable), how closely they align with PMAR’s Governmental Affairs Policies, and the structure and strength of their campaign including fundraising. HOUSING remains the top priority for all of these candidates, from creating homeownership opportunities, to providing shelter to the disadvantaged, all recognize the work it will take to build coalitions to get our residents housed. To assist you as you fill out your ballot, the PMAR PAC Trustees provide the following Voters’ Guide. And remember...make sure to vote! The deadline to register to vote for the November 2020 election in Oregon is Oct 13, 2020. Register to vote online here.
